STEM TRANSFER DAY

Friday, November 6

9:00 AM – 4:00 PM

UC Davis Conference Center

Learn how you can transfer to UC Davis and earn your four-year degree in science, technology, engineering or math (STEM).

During this free one-day event, you will be able to:

- Take a student-led campus tour or visit one of our campus labs
- Learn about undergraduate research
- Attend a student panel discussion
- Chat with UC Davis faculty and students over lunch
- Hear about internship and career opportunities
- Find out how UC Davis students are getting experience in a variety of STEM fields
- Get information on admission and financial aid

Register at your MESA center by October 1!

This free event includes lunch, and transportation is available through your community college MESA center.
